

NEXUS CAN ACCEPT THE FOLLOWING INSURANCE PLANS

If a client has more than one insurance plan, such as Medicare and Blue Cross and Blue Shield of Michigan, the entire charge or co-payment may not be due. In most situations, the secondary insurance will cover a portion of the co-payment; the remaining balance will vary depending on the type of secondary plan.

For referral information or a description of our full range of services, call 248-632-1700
